**Re: McNair, et al., v. Synapse Group, Inc.
Civil Action No. 06-5072 (JLL)**

Dear Judge Linares:

I write with respect to the renewed class certification motion in the above matter which is being filed today and, specifically, write to respectfully request an enlargement of the page limitation to 40 pages in Times New Roman 12 point font. We request the additional space in order to lay out carefully and clearly for the Court the history and prior material submitted without having to refer back to prior filed documents. Defendant's counsel has consented to this request.

I have confirmed with the Court's Chambers that this request was being made as well.

Respectfully submitted,

s/ Gary S. Graifman
